## EXTRACTS FROM IAN'S BLOG

SUNDAY: 11th July 2010

I tend not to think of myself as being particularly 'religious'. So not surprisingly, I liked a slide show called: 'Your religion is not important'. (Check the link on the blog).

I have spent most of my life in what I call the 'relentless pursuit of truth'. That is why I wrote a verse in 'Margins of Eternity' that says: 'He (God) led me into His eternal light, to fight for what is good and just and right. He let me see the things that I can be and showed me how the truth will set me free.' And, actually, that is why I am still very happy to be a Christian.

*There's more on-line. Just go to the church website ([www.saintstephensoundwell.org](http://www.saintstephensoundwell.org)) and on the home page click on the link next to Ian's photo, which says: 'Our Blog'*
