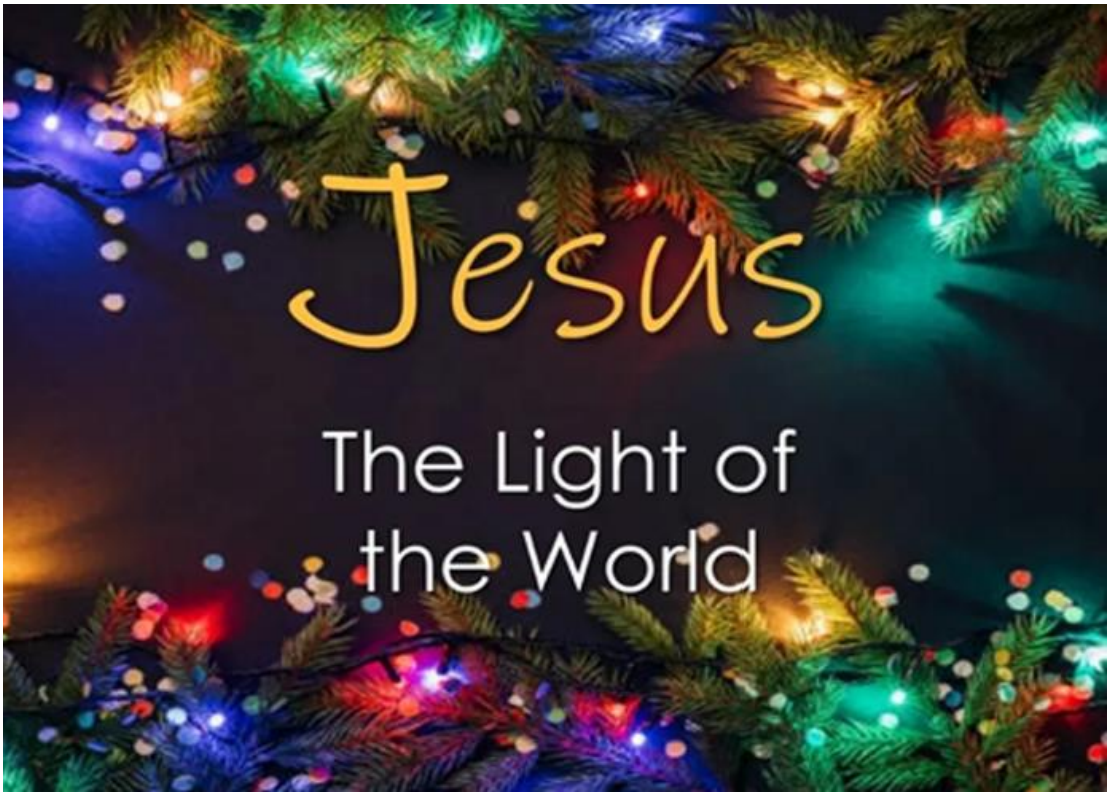
SAINT STEPHENS SOUNDWELL

KNOWING JESUS... MAKING JESUS KNOWN!



WHEN I CONSIDER the star that was a significant part of the first Christmas story, I am reminded that scientists view the stars in the sky very differently than I do.

FOR instance, they use light years to measure the distance of the stars from us on earth.

A light year is the distance light travels in one earth year, so about 5.88 trillion miles (or 9.46 trillion kilometers).

The sun is our closest star and is some 93 million miles away. So, the sun's light takes about 8 minutes and 20 seconds to reach us, meaning we see the sun as it was more than 8 minutes ago.

The next closest star to us– which is Alpha Centauri–is some 4.3 light years away, so when we view this star today, we see it as it was 4.3 years ago.

It's as if we are looking back in time. This means that the Magi written about in Matthew 2:1-2 would have seen a star whose light was beaming before they could even see it.

And yet, God used that star to lead them to Jesus:

"Where is the newborn king of the Jews? We saw his star as it rose, and we have come to worship him" (MATTHEW 2:2, NLT).

Jesus came to be the Light of the World. He came to shine his light in darkness– our darkness, the darkness of this world. We read in Isaiah 9:2 (NIV):

The people walking in darkness have seen a great light; on those living in the land of deep darkness a light has dawned.

This was prophesied long before Jesus was born.

Are we talking about light years when it comes to Jesus?

No, I don't think so, because the Bible tells us he is the Alpha and Omega–the beginning and the end.

He is as much a bright light today as he was at the beginning of time, or when he came to the earth to take up residence and move into the neighbourhood (John 1:14,The Message). *Continued overleaf>*

Jesus is the light of the world

CONTINUED FROM PAGE 1

Jesus is not constrained by time. He is the light of the world (John 8:12) and shines light into the darkest places of our troubled world, bringing change.

The Light has come!

There are no light years that can separate us from this Light.

He is here, he knows us, and we can walk and talk with him now.

His purpose in coming was to be with us, but he has been, and always will be, with us.

If you do not know him already, you too can know this Light of the World. His name is Jesus, and he came to the world to bring about transformation.

If you are seeking change, seek Jesus.

If you are living in a dark place in life, seek Jesus, who is the Light of the World.

Come to church and we can help you get to know Jesus.

For those who already know Jesus, he reminds us that we are light in the world.

In Matthew 5:14 (The Message) we read: *"You're here to be light, bringing out the God-colours in the world. God is not a secret to be kept. We're going public with this, as public as a city on a hill."*

May you be a source of light in your corner of the world this Christmas, as you bring the Light of the World to others!

May God richly bless you through-out this Christmas season! **Lisa** x

Parish Safeguarding Officers

ARE YOU interested in people?? *Do they matter to you??*

Then please have a chat with Lisa about the essential Safeguarding work in our Parish.

The voluntary role is for a PSO (Parish Safeguarding Officer), but it would be great if 2 or 3 of you come forward separately and then we can work-share together as a voluntary parish safeguarding team.

You will be assisted by a Senior Deanery Administrator (SDA), employed in our Deanery, to assist local parishes with the paperwork involved in the DBS (National disclosures checks) part of the role. There will also be on-going support from the SDA and training offered by the Diocesan Safeguarding Team.

The role will involve some other administrative tasks and computer work associated, but first and foremost it is to be the point of contact for our church community regarding safeguarding. This is to make sure we are doing the very best we can at St Stephens to look after each other, and especially the children and vulnerable adults in our community.

Please know, you don't need and it won't be expected of you, to be in church every week to fulfil this role.

Could this be you??

Is God whispering to you right now as you read this??

If so, contact Lisa for a friendly chat and learn more about it!

Telephone Lisa: 0117 957 4297.

WE have several Christmas related events to prepare for and to let you know about in advance, for this issue.

Exchanging greetings cards

PLEASE consider the idea of sending just the ONE Christmas card, to your 'Church Family' instead of lots of individual ones to everyone!

An internal mail exchange system will be running again located at the back of church to put in cards *from* you, and to take out cards *to* you.

You could donate any savings to a favourite charity.

Adopt a star!

SOMETHING which proved very popular last year, was the sponsoring of one or more of the new hanging stars that were produced as part of the Christmas decorations!!

There are likely to be around **120** such stars hanging from the ceiling again this year which will decorate church and make it shine for Jesus.

A **£2** per star donation should be a suitable bequest!

When they are hanging in church, you can choose 'your star' and then tell your family and friends it sparkle's Jesus' love for them.

Or, it might be a way of remembering a loved one, and by sponsoring a chosen star remember and celebrate Jesus' eternal love for them.

Simply enclose your donation in an envelope marked as a 'Star Sponsor' and hand it in on any Sunday up till Christmas. *Thank you!* **Lisa** xx

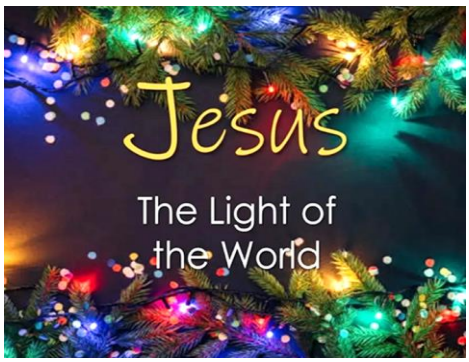
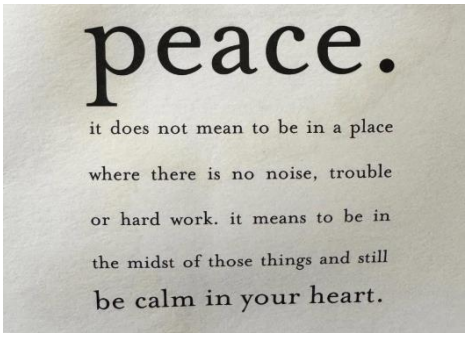
CHRISTMAS FAYRE

6th December Saturday 2~4PM

Refreshments, stalls, books, games, bric-a-brac, mulled wine, cakes, raffles, etc.
Meet Father Christmas!

Something for all the family, or bring a friend.
Yo ho ho!





MY beloved friends, I came across the anonymous quote above about peace and something about it unsettled me.

I now realise it is because, for me, peace is not just about staying calm no matter what is happening.

I believe peace is holy, but peace without justice is not peace at all. It is not enough to be calm in the midst of noise when that noise is the cry of the oppressed, whether in our streets, our workplaces, our places of worship, our homes, or in war-torn zones where survival is a daily struggle.

It is not enough to steady one's heart while neighbours are crushed under the weight of racism, sexism, ableism, poverty, xenophobia, war, or any system that devalues life.

For me, real peace is not simply the absence of inner disturbance, it is the presence of right relationships, the dismantling of structures that steal breath from the vulnerable, and the courage to disturb false calm so that a just calm may come for all.

What does peace mean to you?

Lisa x

May JESUS shine his LIGHT into your life this Christmas and always!

St Stephens Soundwell

Where there's a 'wall' there's a way...

SEEN above is a temporary wall repair that became necessary after parts of the stonework behind the boarding fell apart earlier this year during the summer.

THIS is the boundary wall that is situated between St Stephens and the Soundwell Academy car park.

It is the wall you pass when entering the Church Room from outside. Yes, that one.

We can't be exactly sure why the stonework came apart when it did, possibly it was caused by tree roots growing adjacent and pushing their way underground and thus causing a gradual 'heave'.

Perhaps past wind storm damage.

Or perhaps the mortar dried out.

Any number of reasons.

Anyway an intrepid crew met up in the weekdays before Remembrance Sunday to affect a repair to shore up the remainder of the wall, which had suffered a partial collapse of stonework a few weeks ago.

There was a risk of further collapse as the weather deteriorates heading into winter and so we thank those who gave up their time to make the repairs and the wall safe for now.

But keep well clear!

End-of-year thanks

THE CHURCH YEAR finishes at the end of November when Advent begins!

SO now is the appropriate time to give thanks to **any** and **everyone** who has helped in **any way** towards the efficient running of the church and church services, special events, charity events, and all the various Church Groups, in the last year.

At left, is an example of a one-off task of wall mending but there are lots of other equally appreciated jobs that enable St Stephens to fully and properly function.

Annual events: Carol Services, and Easter Services, the Easter Trail, each require programme organisers and script writers behind the scenes.

Bi-annual events: Deep cleans of the church, Memorial Services and Church Fayres, the latter requiring lots of physical preparation, lifting of tables, rearranging of pews, putting out and clearing away.

Weekly: office workers, gardeners, cleaners, repairs, accounts, etc.

For Sundays: altar prep, readers, prayer givers, wardens, side-persons, meeters and greeters, Café Central helpers, musicians, singers, bell ringing, flower arrangements and so on. To everyone – you know who you are – **a big thank you!**

VOLUNTEER LANYARDS:

A LANYARD system has been introduced so that individuals can be seen to be doing official assignments.

It will help to identify the people on duty for the benefit of visitors and regular congregation alike who might want help or someone to ask for assistance.

We ask that these lanyards are used *especially* on a Sunday and are kept in a basket at the rear of church next to the AV desk.

If you are on duty then please take a lanyard to wear and then after use return it to the basket. Thank you!

WHY DO WE PASS A

'COLLECTION PLATE' in church??

WE PASS a collection plate in church to gather financial contributions for the Mission of our church.

It is a tangible act of worship and gratitude, which allows the whole congregation and community to participate in.

For me, it is an expression of my faith. I endeavour to put God first in everything – in every aspect of my life, including my finances.

So, as I read my Bible, I read passages that encourage me to do just that–to Follow Jesus, to let Him take the lead in my life, 'Your will be done' as we pray in the Lord's Prayer, which means putting Him and His ways, His desires, His instructions through Scripture and Prayer, first.

So, with regards to money, that means giving to God first – before the bills get paid, before I buy that new outfit or pair of shoes, before I give to a charity or even my family ... I give to God the first 10% of my income – the Bible calls it tithing. It's an outflowing of my response to the love of God in Jesus, for all that He has and continues to do in my life and in the world around me!

Since 'where our treasure is, there our heart is also' (Matthew 6:21), the offering of money provides a unique proxy (a figure, in this instance in £'s, to represent the value of something) for offering ourselves back to a generous God.

A reflection of God's worth to us if you like. And because this is our offering to God, it expresses our love for God, and responds to God's generosity to us.

So, the collection plate holding our offerings is brought forward during the Offertory Hymn.

OUR OFFERING IS…

• **An act of worship**: The offertory is seen as a response to God's blessings and a physical expression of our faith and gratitude as followers of Jesus. It's a way to offer a portion of the blessings received, giving them back to God through His church.

• **A symbol of community**: Passing the plate involves everyone in the community, physically participating in the worship service together. It is a communal act that symbolises the church body working together to support God's Mission in Soundwell.

• **An opportunity for commitment**: The act of giving is a wonderful way for each of us to commit our lives to God and His purposes.

DURING the Offertory Hymn, our offerings are received, and brought forward to the Altar, after the Bread and Wine have also been brought forward. All this symbolises the offering of ourselves and all that we have to God... because what we do with our money defines us and our priorities.

But hardly anyone puts anything into the plate??

Well, there is good reason for that. Offertory collections developed in the days when people were paid weekly in notes and coins, but having marched into the 21st Century, we now have other ways to make our financial gifts to God through His Church.

Many members arrange their giving directly from their bank, so will not be putting anything in the plate. This is the simplest way for us as individuals and the preferred way for us at St Stephens Church, Soundwell.

It's called the Parish Giving Scheme (PGS).

Alternatively, requesting Special Collection Envelopes, so you can enclose your donation every week and just take them all to Church when you can is also an option, but this comes with a cost for church and doesn't help us as individuals to review our giving annually like the PGS does.

We can of course use the offertory plates as they are passed round – and whether they are full or not, they do symbolise all offerings made through our banks and in other ways.

Lastly, there are the Donation Station machines for you to use.

For more details regarding how to give, please contact Lin Cooper on 0117 967 2621, or speak to Lorraine Sanderson or myself.

Your Church is a charity that needs your support in many ways... your financial gifts are just one of those ways.

When we give the first and the best to God, He honours that with abundant blessings.

It is true in every aspect of our lives, as well as with our finances...

Thank you and bless you, **Lisa xx**

Remembered

OUR Remembrance Service was held on 9th November and this year was poignant as it commemorated the 80th Anniversary of VE Day and VJ Day, and only a few veterans now survive to pass on their memories for us to learn from.

Our altar featured a 'poppy cross' as the centrepiece, and a suitable back-drop for our service, which by all accounts was well received, and the content and presentation was much admired .

The red poppy specifically symbolises remembrance for fallen soldiers and is sold to raise funds for the Armed Forces community.

The 'poppy' flower was adopted as a symbol of remembrance and hope for a peaceful future, and derives from a poem 'In Flanders Fields'– which described how they grew in the barren scarred fields of France despite the devastation of the World War I battlefields. >

>

IN FLANDERS FIELDS

IN Flanders field the poppies blow
between the crosses, row on row,
that mark our place; and in the sky
the larks, still bravely singing, fly
scarce heard amid the guns below.

We are the Dead. Short days ago
we lived, felt dawn, saw sunset glow,
loved and were loved, and now
we lie, in Flanders fields.

Take up our quarrel with the foe:
to you from failing hands we throw
the torch; be yours to hold it high.
If ye break faith with us who die
we shall not sleep, though poppies
grow...
...in Flanders fields.

BUBBLE CHURCH

St Stephens
is launching something really exciting in 2026
called **Bubble Church**!
We wanted to share a little bit about what
Bubble Church is
and what it will mean for our Church.

What is Bubble Church?

BUBBLE CHURCH is a Sunday church service designed especially for babies, toddlers, and young families. It works best for families with children aged **7** and under.

ITS aim is to bring church to where people are –offering young families a space that feels truly theirs, where they can engage with God and enjoy fellowship together.

Each service includes action songs, a Bible story, puppets, and a simple activity. There's even time to offer breakfast or a cup of tea!

The service itself lasts around 30 minutes, with extra time before for breakfast or lunch depending on the time it runs.

The liturgy is simple and repeated weekly, helping children feel secure and engaged at their developmental level.

Importantly, Bubble Church isn't a stepping stone into church–it is church.

Bubble Church runs with a small volunteer team, and all resources and videos are provided for free to us. The wider Bubble Church team also supports us through the launch and beyond.

What will Bubble Church mean for St Stephens?

MANY churches have seen new congregations grow through Bubble Church and have commented how it has been a wonderful way of welcoming new children and families in to church life.

How wonderful would it be to see this here at St Stephens– a growth of families and children, and for St Stephens to be part of creating a safe, welcoming and fun place for families to take ownership of and explore faith.

We are hoping to start Bubble Church next year– potentially from Easter time.

We are currently forming a team within St Stephens to be trained and help launch Bubble Church.

If you have been reading this and feel this is something you might wish to be part of, then please do speak to or contact Elaine Brewster our Community Chaplain!
Telephone: 07 9020 95915 or email: elaineb.ststephens@gmail.com
